*Dear Martin,*

Thank you very much for your letter dated 25 January 2013 and for making me aware of the National Care Home Open Day taking place on 21 June. This is a great opportunity to raise the awareness of dementia and the important role that care homes play in communities to support people with dementia, their families and carers. I will certainly endeavour to visit a local care home on 21 June and have asked my Private Office to liaise with my constituency office to see if this is possible.

I would be pleased to encourage my peers to support the initiative by asking them to visit services in their local constituencies.

*Yours sincerely,*

*Norman Lamb*
